

## Infant Feeding for Persons with HIV

Presented by: Dr. Julia Rosebush  
Associate Professor of Pediatric Infectious Disease at UCMC

Purpose: To discuss updates on infant feeding for persons with HIV  
Target Audience: RNs and physicians

### Objectives:

1. Review recommendations for infant feeding for persons with HIV published by American Academy of Pediatrics
2. Cite data supporting the safety of breast-/chest feeding in the setting of a birthing person with known HIV and sustained virologic suppression
3. Describe the standard approach to postnatal management of infants born to persons with HIV and are breast-/chest feeding

Join the AWHONN IL Chicago Suburb Chapter for a Zoom Webinar on Wednesday, April 23, 2025 from 12:00-1:30 CST

Registration opens January 6<sup>th</sup> 2025
